in

at
the

there

I
guess
the
teacher
from
my
class
that
I
had
to
design
uniforms
he
asked
me
to
come
over
to
his
place
and
show
me
my
designs

It was
my first
time.

His next
step would
be to take
the little
brown
pills with
meat.
Just the
things,
please?

When I
started
reading
on them.

I wanted
her to
seriously
look at my
change
too.

I... didn't
it much
at first.

He said
more... and
I
thought I
might
want
to sleep
with him.

She
didn't
look
up
at me
anymore.
Unless I
was
a girl.

He
just
stayed
in
the
floor
without
really
looking
at them.
It made
me
really
sad.

Then
he
said, that
was
one
of
the
reasons
I
went
into
the
place.

But...
